APRIL 2019

hello, parents!

We are happy to introduce our bi-monthly newsletter to help keep you informed of our happenings at Brainchild Creations.

This issue includes information about:

- our upcoming summer programming
- fall registration
- how parents can help
- our next service project
- our new teaching assistants
- announcements: now a nut free zone

NO CLASSES
ON FRIDAY,
APRIL 19TH

If you have already paid for sessions on that date, a credit will be applied to your next session.

KIDS' GARDEN & PLAY AREA COMING SOON

We'll be taking off the month of June so that we can focus on creating a safe and fun play area outside for our summer sessions this July! Being able to extend our classroom to the outside will give us even more opportunities for messy play and activities like tending the kids' garden. If you would like to help, we will need volunteers as we will be constructing a fence and rebuilding a large wooden playset. As well, we will gladly accept old or new flower pots of all sizes, and most things garden related: extra soil, mulch, plants, small garden statues, etc.

SUMMER SESSIONS FROM 9-NOON

THE FIRST FOUR WEEKS OF JULY

While our gym time may be limited when the Acros team of gymnasts will be training this summer, we will be spending a lot of time outdoors, playing, gardening, and taking our Challenge Island experiments to new messy levels - from creating bubbles big enough to stand inside to creating our own symphony of outdoor musical instruments.

Summer sessions (July 3- July 21)

\$18 per day/ \$85 per week/ or \$325 for the entire 4-weeks

Current students will not need to register again, but please let us know right away if your child(ren) will be attending so we can reserve their spots.

We will also be charging a registration fee for fall, but because we appreciate our current parents and students so much, we have developed a referral program just for you.

OUR UPCOMING COMMUNITY SERVICE PROJECT FOR THE OHIO VALLEY RONALD McDONALD HOUSE

We are so excited that on Thursday, April 18, our older kids will be working together to build a play kitchen, just like the one in our classroom, that we will donate to our local Ronald McDonald House. The staff there have invited us for a tour to see their facility and understand more about what their charity does and how kids can continue to help. MORE DETAILS COMING SOON.

We are considering the morning of Wednesday, April 24th for a tour with any kids who would want to meet Miss Jenny at Ronald McDonald House to deliver the kitchen and go on a tour. Regular morning classes will still take place at Acros with Mr. Kyle and Miss Katie.

Please send Miss Jenny a text at 812-568-0514 if you are interested in the tour on April 24th so we can see if that date will work.

MEET OUR TWO NEW TEACHING ASSISTANTS

MISS KRISTIN

[friday afternoons]

MISS KATIE

[wednesday mornings]

welcome to our brainchild creations team!

As our classes have grown in size, we excited to welcome Kristin Slosser and Katie Kimball to our team. Both Kristin and Katie have backgrounds in education and working with children, and like Mr. Kyle and Miss Jenny, they are parents whose children also attend our sessions. They have already been a great help to us both in and out of the classroom. Learn more about them in the WHO WE ARE section of our website.

special thanks...

We want to extend our gratitude to all of you for your belief in our program and your confidence in Kyle and me as we have taken on this incredible adventure. We love seeing your kids every week and seeing how excited they are about learning and, of course, playing in the gym.

We also want to thank multiple parents who recently brought in donations:

- to Kim Acuna for her donation of several educational board games and books
- to PeTra Grabner for her donation of fabric and yarn
- to Kristin Slosser for her donation of a ton of recyclable items for our Mesker Zoo Art Projects
- to Kristi Parrish for her donation of a box of applesauce pouches.
